

FIDDLE VINTAGE SATIN CUTLERY

CHARINGWORTH[®]
CUTLERY

WITNESS LINE

The Fiddle knife features an exaggerated witness line, clearly distinguishing between the handle and the blade.

VINTAGE SATIN FINISH

With the well worn finish, you will find that the cutlery ages incredibly well, disguising any new marks in it's existing patina.

ROBUST HANDLES

The paddle shaped handles, are one of the historical defining features of the Fiddle cutlery design.
