

## BAOBAB SATIN CUTLERY

STUDIOWILLIAM®  
CUTLERY

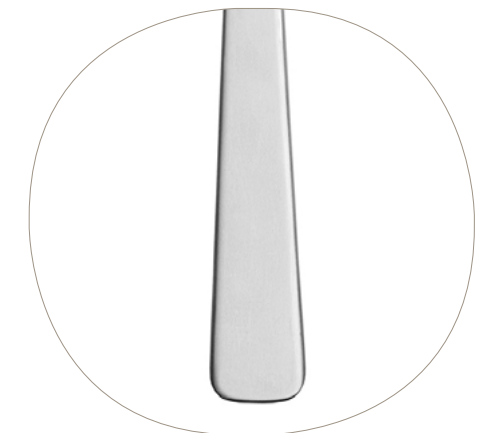

### SATIN FINISH

Baobab is only available in a satin finish, which is achieved with a light brush.

### GENTLE BOLSTER

The transition from handle to blade is achieved with gently curving bolster.

### WIDE HANDLES

The wider handles on Baobab make it perfect for diners who find it difficult holding cutlery

*The Minimal satin finish  
perfect for the atmosphere of  
Elystan Street.*

**BAOBAB used in Elystan Street Restaurant, London**
