

# MAHOGANY SATIN CUTLERY

**POLISHED UTENSIL HEADS**  
The fork and spoon utensil heads are in mirror finish and the backs of the heads are brushed satin.

**BRUSH SATIN HANDLES**  
All handles are satin and finish with a clear line pressed into the handle to highlight the form of the utensil head.

**SATIN TEXTURE**  
The satin on the back of the fork and spoon heads can be felt as a texture on the lips and tongue.
