

MULBERRY MIRROR & SILVERPLATE CUTLERY

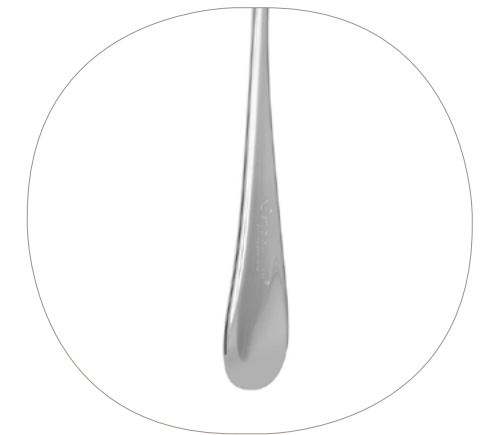

STUDIOWILLIAM®
CUTLERY

TIMELESS ELEGANCE
The utensil heads are very flowing in shape.

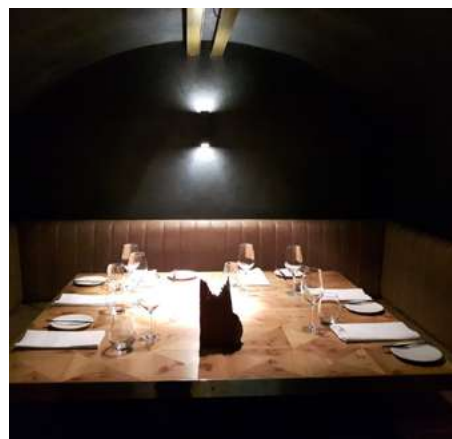

CREATIVE DINING
We offer a full range of Creative Dining Pieces for the Mulberry range.

TEAR-DROP HANDLES
The back of the fork and spoon handles are concave in shape, making them very emotionally tactile.

"To say we are thrilled with the cutlery is an understatement. William is a wonderful craftsman and professional"
