

# OLIVE MIRROR & SATIN CUTLERY

**ASSYMETRIC BOWL**  
All the spoon bowls in the range are assymetric in shape.

**HANDLES**  
Curvaceous, weighty, ergonomic handles.

**GENTLE KICK**  
The handles of the forks and spoons have a gentle kick upwards, giving both light reflection and ergonomics.

*The Olive Cutlery range perfectly compliments our vibrant, colourful dishes from the heart of Peru*

**- Olive Satin used in Lima London**
